SPORTSMANSHIP IS A STANDARD

Wildly cheering crowds—led on by the enthusiasm of the twirling-skirted, cavorting cheerleaders—bottle pops and peanuts—precision blue and white figures of the band with their gleaming instruments—crisp, autumn air—a feeling of fraternity, pride and love—all these are characteristics of American sports.

With the passing of the seasons we change our type of sports but never the ideal behind all of them—the ideal of leadership, clean living, and fair play. When the athlete looks back on his past accomplishments he strives to maintain all of these qualities throughout his life.

The laurel wreath, the ancient symbol of the accomplished athlete—the American athlete strong in mind and body—a living example of sportsmanship as a standard.
